

Goals from last week

- The plans were to do all individual assignments for this class and to work on Sprint 2 assignments together as a group. We are still in the preparation phase of this assignment, so there isn't much detail about specific tasks as of now.

Progress made this week

- We completed sprint 2. In this sprint, we discussed possible ethical considerations and addressed possible product misuse. We also created our UI prototype and updated our project tasks and trello board. We also met with the TA on Thursday to discuss our work from sprint 1.

Plans and goals

- Our plans for next week are to finish our individual assignments for this class and complete sprint 3 together as a group.
